Det skal være enklere at drive virksomhed i Danmark

Virksomhedsforum for enklere regler udpeger områder, hvor virksomheder oplever de største byrder og kommer med forslag til forenklinger til regeringen. Michael Ring, administrerende direktør i Stelton A/S, er formand for Virksomhedsforum for enklere regler: "Det er afgørende for mig, at arbejdet munder ud i konkrete resultater i form af administrative lettelser, som gør hverdagen enklere for danske virksomheder".
