

Premier ministre

THE FRENCH « CHOC DE SIMPLIFICATION » FOR BUSINESSES AND GROWTH

Pascal SCHUSTER, Prime minister's office, Paris

D.E.B.R.M. - *Palazzo Vidoni*, Roma - 18 September 2014

Old Strategy, New Impetus

- **presidential statement (28 march 2013)**
- **interministerial committee for modernising public action (17 July 2013)**
- **creation of the business simplification committee (9 January 2014)**

The business simplification committee (BSC)

- **A collaborative body (businesses, experts, politicians, officials)**
- **An innovative approach based on workshops**
- **The role of ordinances**

The simplification measures for businesses (1/2)

- **First set of measures April 2014**
- **50 measures per semester**
- **October 2014 and beyond**

The simplification measures for businesses (2/2)

Examples :

- **improved tax management**
- **promotion of e-invoicing**
- **« Tell us once »**
- **Tacit authorisation**

Proposal n°1 of the BSC : creation of an independant advisory body on IA & smart regulation (1/2)

- **The roots : « *one in – one out* »**
- **The models : the RegWatchEurope members**
- **The aims : evaluating the IA on primary and secondary laws, associating stakeholders, etc.**

Proposal n°1 of the BSC : creation of an independant advisory body on IA & smart regulation (2/2)

The challenges :

- **Workload and scope management**
- **Independence**
- **Change of mindsets, etc.**

THANK YOU !
